

TELADOC.

REAL BENEFITS Direct

Is available 24/7/365

Quality care is only a call or click away. Median doctor call back time is 8 minutes.

<10 MIN MEDIAN DOCTOR CALL BACK TIME

Resolves many of your medical issues

92% of Teladoc members resolved their medical issue with Teladoc. Unlike nurse-run call centers, Teladoc doctors can diagnose, recommend treatment, and prescribe medication.

95%MEMBER SATISFACTION

Has great doctors (No time limit to your consult)

Our national network includes the highest quality U.S. board-certified doctors, licensed in your state.

From wherever you are

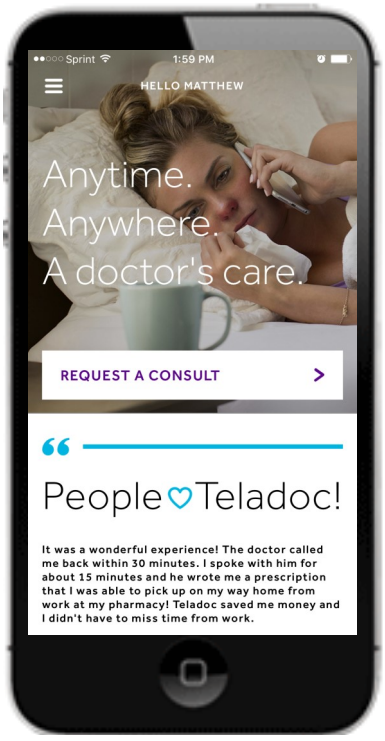

Teladoc from home, work, or on vacation. Compare that with taking a day off from work to sit in a waiting room.

For less money ($0 Consult Fee)

Teladoc costs far less than urgent care or ER visits for non-emergency medical care. It also qualifies as an expense for HSA, FSA and HRA accounts.

Access

YOUR ACCOUNT ANYTIME

Telehealth services for when you…

have a non-emergency medical issue

If you're having trouble getting in to see your existing doctor, our U.S. board-certified, state-licensed doctors can diagnose, recommend treatment, and prescribe medication for many of your medical issues, including:

- **Cold and flu symptoms**
- **Bronchitis**
- **Allergies**
- **Poison ivy**
- **Pink eye**
- **Urinary tract infection**
- **Respiratory infection**
- **Sinus problems**

Need a Short-term Prescription

If appropriate, the Teladoc doctor can write a short-term prescription and have it sent to the pharmacy of your choice.
Some common prescriptions include:

- **Amoxicillin™**
- **Azithromycin™**
- **Bactrim DS™**
- **Augmentin™**
- **Cipro™**
- **Tessalon Perles™**
- **Flonase Nasal Spray™**
- **Pyridium™**
- **Prednisone™**
- **Diflucan™**

Need a Dermatologist

Receive treatment for common skin problems like:

- **Rash**
- **Acne**
- **Skin infection**
- **Ringworm**
- **Shingles**
- **Mouth sores**
- **Fungal infection**
- **And more!**

Have kids

Teladoc is the only telehealth provider with a national network of U.S. board-certified pediatricians, able to treat children from 0-17.

Travel a lot

Whether on vacation or traveling for work, Teladoc is there for you 24/7 wherever you may be.

REAL BENEFITS Direct

TELADOC™

Teladoc providers are:

U.S. Board-certified

U.S. board-certified in emergency medicine, internal medicine, family practice, pediatrics, dermatology, and behavioral health.

Idaho State-licensed

Licensed in their respective states. When you call Teladoc, you will always speak with a provider licensed to practice medicine in your state.

Experienced

With an average of 20 years of practice experience in emergency medicine, internal medicine, family medicine, pediatrics, dermatology, or behavioral health.

Verified

Verified through the National Physician Data Base (NPDB) and the American Medical Association (AMA) for medical licensure, training and education, work history and malpractice history.

U.S. residents

Living and working in the United States.

Telehealth specialists

With specialized training in talking with patients and diagnosing over the phone and with online video, while adhering to our set of 130 proprietary, evidence-based, clinical practice guidelines for the telephonic and audio-video treatment of common, uncomplicated medical conditions (the only guidelines in the industry specific to telehealth).
