Questions about our plans?

We have answers.

Who can purchase a plan?

Coverage is available to all permanent residents of Idaho. Spouses and/or dependent children are also eligible. Coverage can be purchased by individuals, two-person households, or families.

What happens when I travel?

Delta Dental coverage goes wherever you go, in or out of Idaho, even with college students as they travel across the country. You'll have peace of mind knowing your dental needs are covered!

Can I use my own dentist?

With our dental plans, you likely can—9 out of 10 dentists nationwide are in our network, making it easy to keep the dentist you already know and trust.

How soon can I have coverage?

You can enroll at any time through the end of the month, and your coverage will begin on the 1st of the following month.

Can I get dental coverage if I am part of a Medicare plan?

Yes. Delta Dental plans are a smart choice to fill dental coverage gaps in Medicare plans. Medicare Parts A and B exclude routine dental care and Medicare Advantage plans vary greatly in the amount of dental coverage they provide. Medicare annual enrollment periods don't apply to dental coverage from Delta Dental, so you can enroll with us any time.

Do I have to wait to have major procedures covered?

If you've had at least 12 months of prior dental coverage with no more than a 30-day lapse, all waiting periods are waived. Have you been without coverage for more than 30 days? No problem! Our Clear Plan offers comprehensive coverage with no waiting periods—so you can get the care you need right away.

Is it easy to enroll?

Yes! The fastest way to enroll is to visit our website at deltadentalid.me or call us toll-free at 1-855-713-3582, Monday – Thursday, 8 a.m. – 5 p.m., or 8 a.m. – 4 p.m. Friday, Mountain Time.
